August 22, 2017

Welcome Back Students and Families:

WOW, where did the summer go? I can't believe that in one more week school will begin, but we at Northeast Middle School are preparing to make this a fantastic year for each of you as we open the doors to a wonderful educational experience for our students. I would also like to extend a special welcome to the new members of the Northeast family from Anishinabe Academy, we are so excited to have you join our fold and share your talents so that we all grow together.

I am thrilled to be working with one of the greatest assembly of staff in MPS to do this great work and we are looking forward to engaging and challenging the academic and social development of our students in ways unimaginable. We have created some new class offerings that we believe will challenge the social justice intellect of our students, making them deeper critical thinkers in this ever- changing world.

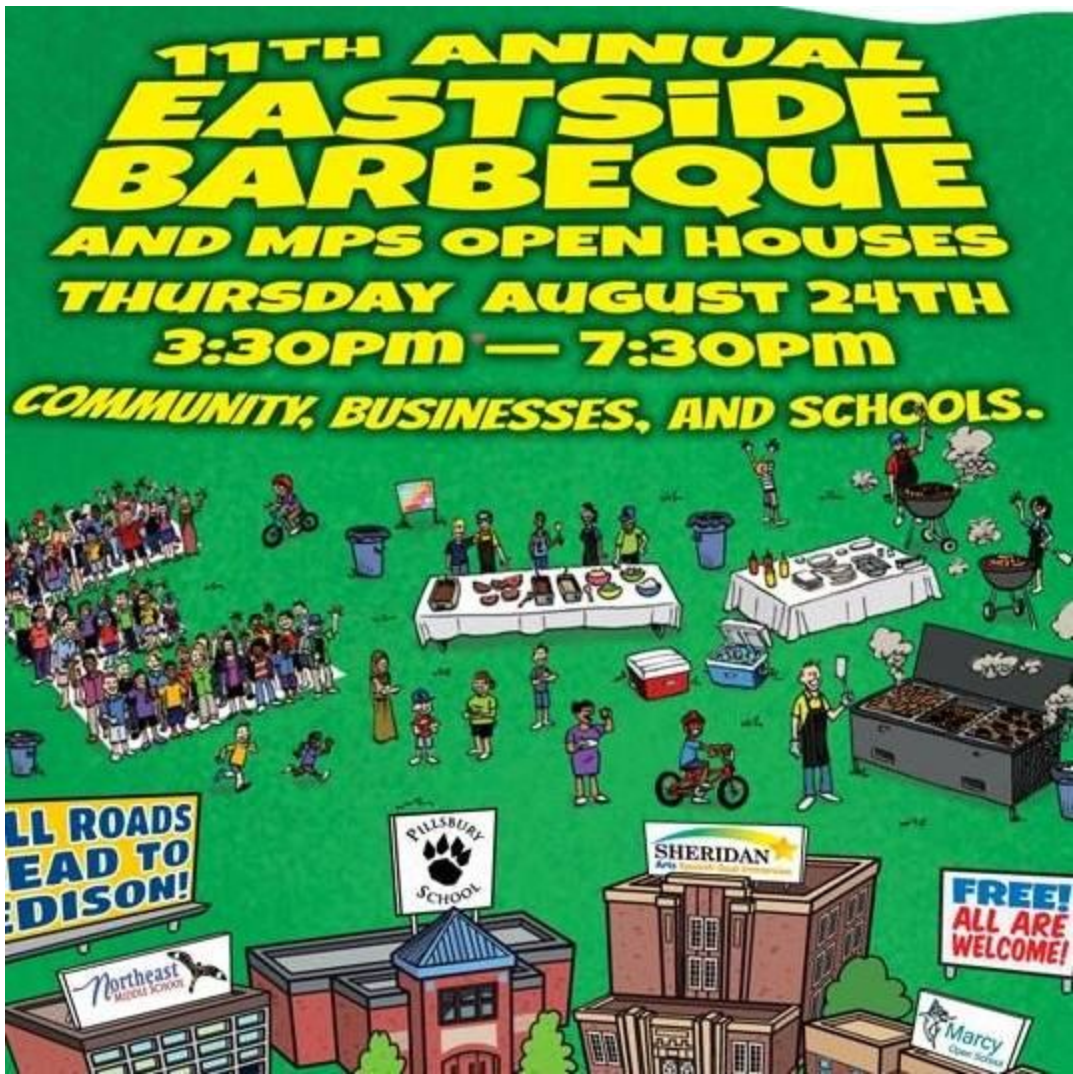

In addition, we have hired some phenomenal new teachers that bring some amazing skills and energy to an already innovative staff that we believe are geared towards promoting cultural learning opportunities that will engage students. Therefore, we are extending an invitation to each of you to come and find out more about what Northeast Middle School has to offer at our Open House on August 24, 2017 which will begin with a Native American Cultural Sanctioning Ceremony at 2:30 P.M. followed by the Open House from 3:30 to 5:00, ending with the Edison Barbeque from 5:00 to 7:30.

Finally, in an effort to maximize teacher planning and collaboration time for students we have moved school starting time to 9:00 AM with buses arriving at 8:35 A.M. allowing students more time to eat breakfast.

We are so excited to be at service to our students and families and want to make this learning experience as customer friendly and oriented as we possibly can. We thank you for choosing and trusting Northeast Middle School with the educating of your child, a responsibility that we do not take lightly and are committed to carry out with excellence.

Best Wishes,

Vernon Rowe
