PTA Sponsored "Hollywood Red Carpet" Dance

Thanks to a donation from the PTA, the World language Department will be taking the 7th and 8th grade World Language students to the Festival of Nations on Friday, May 5. Please sign your child's permission slip and return it with \$5 as soon as possible. Contact your child's World language teacher if you would like to chaperone.

Hollywood Red Carpet Dance
Friday, May 12
6:30pm-8:00pm
Dress up fancy & Be ready for a Grand
Event!

**Students must have a permission slip signed by
parent/guardian to attend**

MCA Dates

Math Test April 24-26

Science Test (Grade 8 ONLY) May 2-3

MCA Test Prep - Item samplers are provided to help teachers and students become familiar with the format and type of content included in the accountability assessments. Item samplers contain fewer items than an actual full-length test and are aligned to the Minnesota Academic Standards. They are NOT suitable for predicting how students will perform on the accountability assessments.

Item samplers, along with other resources for teachers and parents, can be found on the Pearson Access Next website, including:

- Reading, Mathematics, and Science MCA online item samplers
- Reading, Mathematics, and Science MCA paper accommodation item samplers
- MTAS item samplers

<http://minnesota.pearsonaccessnext.com/item-samplers/>

6th Grade Families

All 6th graders will be heading to Camp Miller in Sturgeon Lake, MN!

Thursday-Friday, May 25 & May 26th

Parents/Guardians are Welcome to Chaperone!

Contact Deb Reutter if you would like to chaperone.

The cost is \$50.00 per student.

Students will meet with a Camp Miller staff person Friday April 21st to learn more about the trip. They will receive initial information slips at that meeting that will be due on Wednesday May 26th. When students return the informational slips to their advisory teacher, they will receive the permission packet.

More information and forms will be available beginning Friday April 21st on the Northeast website under Parent Information.

Questions, please contact Debra Reutter debra.reutter@mpls.k12.mn.us

Summer Enrichment Opportunities

Northeast Middle School will be having GEMS/GISE Summer STEM Academy.

- **Amazing Structures: Bridges & Towers** - Students will investigate tower and bridge designs, the forces that act on them, and the materials that can withstand those forces.
- **Cooking by Design** - This design-based integrated STEM – Nutrition class engages students in using a variety of creativity and idea generation tools.
- **Drumline or Guitar** -Develop performance skills, rehearse music and choreography, and create a composition and arrangement.
- **Engineering the Ride** - Explore the mechanics of the standard road bike while riding through the urban parks and streets of Minneapolis.
- **Expedition Minneapolis** - Engage in a wide variety of environmental field experiences through the use of scientific inquiry, while learning to use the tools of a naturalist.
- **Explore Robotics**- Students will utilize their prototypes and programming skills to solve design challenges using the LEGO Mindstorms Robotic System.
- **STEM Gear by Style Engineers** - Activities are designed to explore the science and technology of fashion.
- **Game On! Recreational Sports & Activities** - Learn and practice the skills of Lacrosse, Soccer, Volleyball and Rugby.
- **SOAR** - The sky is the limit in this course that focuses on aerospace engineering.
- **Theatre or Dance** - Design and perform while learning the technical elements of theatre or dance.
- **Design Art Meets Engineering** - Students will work on various Art Engineering Design Challenges.
- **Tech 4 Boyz / Tech 4 Girlz** - Studio production, graphics, green screen production, and more.
- **Urban Boatbuilding & Exploration** - Design and construct wooden boats, canoe waterways and improve swimming
