#JOINDAMOVEMENT Dance Concert

June 13th (Tuesday) 10:00am
8th Grade Completion Ceremony

June 14th (Wednesday)
Last Day of School

Summer Enrichment Opportunities

Northeast Middle School will be having GEMS/GISE Summer STEM Academy.

- **Amazing Structures: Bridges & Towers** - Students will investigate tower and bridge designs, the forces that act on them, and the materials that can withstand those forces.
- **Cooking by Design** - This design-based integrated STEM – Nutrition class engages students in using a variety of creativity and idea generation tools.
- **Drumline or Guitar** -Develop performance skills, rehearse music and choreography, and create a composition and arrangement.
- **Engineering the Ride** - Explore the mechanics of the standard road bike while riding through the urban parks and streets of Minneapolis.
- **Expedition Minneapolis** - Engage in a wide variety of environmental field experiences through the use of scientific inquiry, while learning to use the tools of a naturalist.
- **Explore Robotics**- Students will utilize their prototypes and programming skills to solve design challenges using the LEGO Mindstorms Robotic System.
- **STEM Gear by Style Engineers** - Activities are designed to explore the science and technology of fashion.
- **Game On! Recreational Sports & Activities** - Learn and practice the skills of Lacrosse, Soccer, Volleyball and Rugby.
- **SOAR** - The sky is the limit in this course that focuses on aerospace engineering.
- **Theatre or Dance** - Design and perform while learning the technical elements of theatre or dance.
- **Design Art Meets Engineering** - Students will work on various Art Engineering Design Challenges.
- **Tech 4 Boyz / Tech 4 Girlz** - Studio production, graphics, green screen production, and more.
- **Urban Boatbuilding & Exploration** - Design and construct wooden boats, canoe waterways and improve swimming

THE ANNUAL N.E.M.S. DANCE CONCERT

#JOINDAMOVEMENT

When: Thursday June 8th
Day Performance @2pm
Night Performance @ 6pm

Where: Northeast Middle School
Auditorium
2955 Hayes St. NE
Minneapolis, MN 55418

Featured Choreographer
Mr. Julian Hines

Ms. Wiegand's advisory project (Share N Care)

Room 303 advisory was given a task to do something for their community. They did some brainstorming and came up with the idea of helping the people in their community that are in need of food. As their idea came along, they decided to do a food drive. They have been calling local businesses to ask for their assistances in the food drive. The businesses will help but they also need your help! We need you, the family members of our students, to support this cause. You can do this by donating food and clothing. (Please wash the clothing before giving us them.) Thank you and have a good rest of the school year!

Course Registration 2017-2018

Northeast Middle School is moving to a 6th period day next school year. This means there will be changes in the process for students to choose electives. Registration for electives will be happening soon for incoming 6th grade students, and current Northeast 6th and 7th graders:

- Current 6th grade students will listen to a presentation about 7th grade elective classes on June 2nd or June 5th. They will select their course priorities through an online survey during class.
- Current 7th grade students listened to a presentation about 8th grade elective classes on May 23rd or May 26th during US Studies. They selected their course priorities through an online survey during class.

All course descriptions will be available in our course catalog on our website. Parents/Guardians that would like input on these choices can do so by filling out an online survey through this [link](#) by June 5th or contacting Ms. Nelson or Ms. Gates directly.
