This upcoming week, the Mental Health support staff at our school will be providing presentations to students and staff on Sexual Harassment. This will be a general overview of the definition of sexual harassment, how to identify and deal with inappropriate behavior and what to do if you see, feel or hear sexual harassment in our building. This is a prevalent topic in our world right now and we want to make sure we all have a common understanding. If you would like to view the presentation, there will be a link on our website. (This has been approved by Rowe)

High School choice requests are due February 17th. All 8th graders are expected to complete their request for a Minneapolis high school, even if they plan to attend the high school closest to their house. High School requests can be complete online on the Minneapolis Public School website under the Schools and School requests. Paper forms are also available. Please contact the 8th grade counselor, Debbie Nelson, with any questions.
