Class	<h1 style="text-align: center;">Class Descriptions</h1>
Journalism (M-TH)	<p>Do you like investigating a story that sounds a little suspicious? What about telling your friends play-by-play what happened at a sports game? Or how about telling others what you thought about a concert, play or movie? Join journalism, and share your voice with all of Northeast Middle School! Here, we will create the Nighthawk News, which will cover all of the events happening at NEMS, as well as the community. Breaking news stories, sports, the arts, social justice issues, and more will be covered—you are sure to find your perfect area of interest, and help keep the students and staff of NEMS in the know!</p>
Robotics (GEMS/GISE) (M-TH)	<p>In this exciting robotics class students learn mechanical design, construction, programming, and teamwork skills. In pairs, using LEGO building elements, motors, and sensors, students build different robot prototypes and program them with a computer to move, react, and make sounds. Students will utilize their prototypes and programming to solve design challenges. Students will participate in the 2020 Robotics FIRST Lego League Challenge: CITY SHAPERSSM. The students identify a physical or social problem faced by cities and towns like transportation, accessibility, and even natural disasters. The culminating event for this class is the STEM-GEMS-GISE Robotics Exhibition & Minneapolis FLL Regional Robotics Tournament on January 25, 2020.</p>
Media Arts (T/TH)	<p>In Media Arts, students will learn how to use photoshop to create a multitude of digital artworks. Students will work on their creative skills while in a relaxed STEAM environment. Each class period, students will work on creating new artwork while progressing through new skills. With each project, students will have the ability to explore and create work that is meaningful for them.</p>
Wood Working (T/TH)	<p>Develop new skills in this class! Learn foundational wood working skills like how to use a hammer, measure, saw, and take home a project that you create on your very own! Don't forget your safety goggles!</p>
Loppet (T/W/TH)	<p>Join the Ski Team! We will hike, mountain bike, run and practice ski techniques! As soon as snow falls we will start cross country skiing! We learn to ski, race against other middle school teams, participate in the City of Lakes Loppet Ski Festival, and take two overnight ski trips. There is no cost, we provide all equipment and uniforms, and everyone is welcome! Even if you have never skied before!</p>
“We Matter” (M-TH)	<p>Social Justice? Join us! Science? Join us! Environmental Justice? Join us! Youth Culture: talk about it, share it, "sip the tea". Join us!</p> <p>Our group is your group--what you need is what you'll get!</p> <p>We'll talk, laugh, write, and learn.</p> <p>Help create exactly what you need!</p>

Swimming and Water Safety (M/W)	<p>This class teaches aquatic and personal water safety skills in a logical progression. It consists of six levels. Participants in level 1 are oriented to the aquatic environment and gain some basic skills in each category. Throughout the levels, participants build on their basic skills to learn various propulsive movements on the front, back and side. As the levels increase, participants learn to refine the different strokes and build endurance.</p> <p>Materials Needed: Swimsuit (shorts with tie and t-shirt are acceptable), towel and a bag to carry items home. Goggles and swim caps are not provided, but may be brought to class from home.</p> <p>**This class runs the full time from 4-6pm on Monday and Wednesday only.</p>
Theater (M-TH)	<p>Lights! Camera! Action! Calling all dramatic individuals! This fall we will be selecting a few plays to perform! Use your voice to select the best play! If you do not like to act, be a part of our technical crew working on costumes, the set, lights, and sound. If you like to entertain others, this is the place for you.</p>
Cooking By Design (T/TH)	<p>Test out those chef skills in the kitchen! In this class you will learn cooking basics, how to work on a team, and create some tasty meals! Compete against the other teams by using new and unique ingredients to score more points!</p> <p>**This class runs the full time from 4-6pm on Tuesday and Thursday only.</p>
Arts and Crafts (M/W & T/TH)	<p>Do you like art? Do you like crafts? Then join Arts and Crafts! Here, we are going to explore, experiment, and create to make a variety of projects. Paint, string, beads, feathers, glitter, and more will be used as we express ourselves through our masterpieces! Whether you're the future Jean-Michel Basquiat or Frida Kahlo, or you're just getting started in your crafting career—join us. Fun will be had by all, no matter the skill level!</p>
Future Honor Roll (M/W & T/TH)	<p>Struggling in class, but really want to make the honor roll? This after school class will help you change those Ds and Fs to a passing grade. Students will have access to technology and the support they need to be successful in school.</p>
Message Behind the Movie (Movie Club) (M/W)	<p>Ever wonder the hidden messages and meanings behind your favorite movies? Watch your favorite movies again with friends and discuss what you see over popcorn and hot chocolate!</p>
Girls Group (M/W)	<p>Discuss topics that matter to you in a judgement free zone and space.</p>
Gym Games (M/W)	<p>Come to play a variety of team games such as basketball, kickball, soccer and more!</p>
Skate Club (M/W)	<p>Learn the basics of Skateboarding, or polish up your skill set. Skate Club is an enrichment class that provides skateboards and safety equipment for NEMS students to discover the endless fun of riding a skateboard. EVERYONE is welcome!</p>

The Game Zone (T/TH)	Challenge yourself and friends through a variety of digital and tabletop games when you enter The Game Zone! We will play games on the Wii, Xbox 360, and GameCube consoles as well as tabletop and card games. The goal of this class is to build a community around Gaming!
Dance (T/TH)	After-school Dance is an opportunity to express your personality, thoughts and beliefs through movement! You will have a chance to gain strength and flexibility. You will be given the opportunity to learn about choreography and you can even choreograph your own dances. There will also be NEMS Alumni there to help you create your own movement style and choreography. Come dance with us!
Chess Masters (T/TH)	All skill levels are welcome! This class will greatly improve your problem solving skills, while you learn about the 3 aspects of the game: beginning the game, middle game & end game. Participate in tournaments.
Beacons Leadership Team (BLT) (T/TH)	Are you a leader that loves to make changes? Participate in service projects? Join BLT (Beacons Leadership Team) You will engage in afterschool decision making, running the Beacons Afterschool Store, participate in service learning projects, peer mentoring, community leadership groups. You will also have the opportunity to go to Beacons Leadership Retreat at Camp Iduhapi MEA weekend, Youth Day at the Capital, MLK day of Service and many other projects. Join BLT and impact your peers through leadership and change!
Girls Fitness (T/TH)	Girl's Fitness is a fun and active program. Each week there will be stretching, circuit training, games and other activities meant to get your heart rate up. This is a great choice if you plan to play a sport and want to get fit, you want to exercise more regularly or try something new!
